My Dear Mr. Dowse.

Did you make a reference to the Inspecting Officer about the No. of Sowars to be transferred. I see from the Proceedings I have just received that the No is the same as we saw the other day.

Yours truly.

My dear Pultaun

I did make a reference to Captain Fraser about the strength of the I.S. Regiment as the number of men to be transferred from the Local Service Regiment. He says Major Jones fixed the strength at 611 exclusive of the Veterinarian & 2 Salutors about the men to be transferred he said as you have a standard bearer to provide for you can reduce their number by one. I hope you will find no difficulty in doing this.

Yours truly.
